FACT (Fathers and Children Together) is a fun place for dads to 'tune up' their parenting skills and connect with their kids through play and learning. All expectant dads and dads with children ages birth through 6 are welcome! FACT groups are free and open to the public.

VNA FACT groups are held at the following locations:

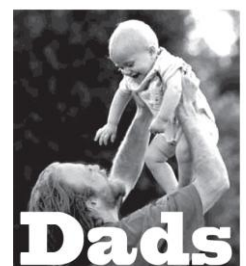

- ❖ Winooski Winooski Community Center, 32 Mallets Bay Avenue
- ❖ Burlington VNA Family Room, 20 Allen Street
- ❖ St. Albans Church of the Rock, 1091 Fairfax Rd., St. Albans. *(Space donated)*

In June and through the summer, FACT Burlington and Winooski will meet at Ethan Allen Homestead off the beltline in Burlington, weather permitting.

For more information about FACT and other programs for dads, call the VNA at (800) 427-1908 or 860-4420, check out www.vnacares.org or email Josh Edelbaum at edelbaum@vnacares.org.

These services are available to all eligible persons, regardless of race, gender, age, disability, or religion.
